DEDICATION

To Mr. Johnson and Mr. Harris, our able and efficient superintendent and principal, who have striven to raise the ideals and standards of Fosston High School, we, the class of 1946, do affectionately dedicate this, the second issue of the Talisman.

FORWARD

THE TALISMAN, the title for the Fosston High School Annual chosen by the Seniors of the Class of '45, has fittingly proved its popularity in so many ways that we, The Seniors of '46, feel we must carry on the work thus far so well advanced. We have spared no pains or efforts to make this issue one of the most entertaining ever published. To this end we have included in it all those activities belonging to our school during the past year that time and space would permit, those we believed most richly meriting attention.

In submitting this year's Talisman to its many readers we shall ask no higher reward than to know it has pleased you; and, that in years to come it will serve to bring back to your memories the most pleasant years of all—those spent in the Fosston High School. And may each one of you, Seniors of '46, wherever you may cast your lot, feel and live faithful to—

Out of the night that covers me,
Black as the pit from pole to pole,—
I thank whatever Fates may be
For my unconquerable soul!

Class Advisors: ---------- Mr. Johnson
Miss Wennerstrom

The long road is over for the seniors of 1946, but there have been several exciting events throughout our school years, which we will vividly remember.

The Junior-Senior Prom of 1945, of which we were in charge, was a big success. Our class was well represented in football and basketball. We also have a cheerleader from our class. Many of the students have taken part in the various music groups. Our class will be one of the smaller graduating classes of Fosston.

Motto: The way is hard, but the prize is great.

Class colors: Sky blue and silver.

Class flower: Red carnation.

VALEDICTORIAN

SALUTATORIAN

HONOR STUDENTS

The outstanding students of each graduating class are those students who because of intelligent use of their time and energies have attained scholastic success. Those who rate as the first ten in scholastic standings for the senior class are:

Ruth Engan
Blanche Bergh
Margaret Haugen
Arlene Ekeland
Margaret Sjol
Donald Olson
Opal Thomas
Alene Rystad
Thelma Thompson
Elaine Tangen

Ruth Engan is valedictorian and has an average of 94.05. Blanche Bergh with an average of 93.82 is the salutatorian. Both of these girls and the highest ranking boy, Donald Olson, will have many opportunities for the scholarships and aids in attending college.

All ten of the honor students will find that their success in high school will greatly enhance their success in the post-graduate years to come.

FOSSTON HIGH SCHOOL

There is a seat of learning
That sends its rays of light
In ever clearer vistas
To beautify the night.

In twilight men are living,
And weighted down by chains.
To you, dear Fosston High School,
This clarion call contains,

A challenge to go onward,
To hold the torch on high,
Till civic virtues flourish
And men to God draw nigh.

A symphony of kindness,
Of love and brotherhood
Transforms our schools to beacons,
O, Fosston High, you're good!

BOY SCOUTS

The Boy Scouts of America Troop 101 has completed another active year. In June the troop spent a week at the Andrusia Bible Camp together with Rev. Espeseth and Scoutmaster S. O. Johnson. They have participated in the salvage program both for waste paper and the old clothes projects. At Christmas time they distributed boxes to the needy families in Fosston for the Athenian Club. During Scout Week in February the big event was the Fathers and Sons banquet prepared and served by the Home Economics department under the direction of Miss Parbst. Highlight of the day was the investure of eight tenderfoot scouts. They were Donald Busse, Allen Kringle, Gordon Goldsmith, Wayne Rambol, Richard Sorenson, Billy Dulmage, Jerry Skatvold, and James Haugstual. At present there are three first class scouts, fourteen tenderfoot scouts and six second class scouts. The troop meets every Monday night at the school building.

GIRL SCOUTS

The Girl Scouts of Fosston, Troop I and Troop II, have been active organizations for two years. Besides the broadening of their own experiences and interests, they have rendered valuable service to their community and country by taking an active part in international clothing drives and the March of Dimes drive.

The groups meet once a week for a period of activities and recreation. Their activities this year will advance most of them to Second Rank Girl Scouts.

They are sponsored by the American Legion Auxiliary of Fosston with Miss Thyra Berntson as leader for Troop II and Miss Della Kringler and Marion Parbst leaders for Troop I.

F. F. A.

The Fosston Chapter of the Future Farmers of America was first organized twelve years ago as an inter-curricular activity of the Vocational Agriculture students. The organization is operating on the principle of combining education and recreation for the good of the students and the community.

Many varied activities are sponsored by the Chapter for the development of leadership, the building of a more permanent agriculture, and the improvement of country life. A few of these include garden seed sales, milk testing, Rural School Day, Community Canning for War Relief, basketball, soft ball, picnics, and banquets.

The high ideals of the organization are clearly explained in the motto:

Learning to do
Doing to learn
Earning to live
Living to serve.

The GREYHOUND, our school paper, is published bi-monthly by the students of Fosston High School.

On Monday of the second week busy minds and flying fingers are organizing, proof typing and stenciling the finished product. Free copies are sent to servicemen who have graduated from Fosston High School.

1st row: Ronald Olson, Mr. Harris, Melford Sorenson.
2nd row: Mardella Christianson, Grace Reiten, Alice Welte, Bill LaVoi.
3rd row: Margaret Sjol, Philip Megorden, Royce Norgaard, Glenn Hagen, Lenna Kringle.

STUDENT COUNCIL

The Student Council is a new organization started this year, for the purpose of representing the student body in forming closer cooperation between the students and the faculty, and promoting school spirit.

The Council is made up of one representative from each class, the head of each of the major organizations, and Mr. Harris as the faculty member.

Division Three

ATHLETICS

FOOTBALL TEAM

Billy LaVoi—Backhalf captain and a junior. He played left halfback.

Ronny Olson—Line captain and a junior. He played left end.

Philip Megorden—A senior who played right halfback.

Dick Wynne—A sophomore who played quarterback.

Charles Aakhus—A freshman who played center.

Roy Bjornerud—A junior who played right end.

When Coach Bohnsack issued his first call for candidates for the 1946 football team, 15 men drew suits. Of this number 9 were veterans and many of the others were promising young players.

The Greyhounds again played six-man football in place of the regular eleven-man which had been played every other year.

RESUME OF THE FOOTBALL SEASON

The 1946 football season got under way in September, when our boys put up a stiff fight against the strong Mahnomen team. Although the game was played on our home field, the final score stood 25-0 in favor of Mahnomen.

The second game was with Gonvick. Improvement was marked. This game was a victory for our boys with the score standing at 32-12.

The next game was with Mahnomen. The game was loosely played by both sides. Forward passes were tried frequently, but were unlucky in completing them. Mahnomen won 32-0.

We met McIntosh on their field October 19. Both sides put up a hard fight. The score was 13-0, but those thirteen points meant sweat and blood, as our boys played an outstanding defensive game.

The Climax of the football season was reached when Fosston again met McIntosh. Although we lost 18-14 it was a thrilling game. Both sides were on their toes and that ball was really kept red hot.

According to the games we played towards the last, it was evident that we could have had a better team if we had had more practice before the schedule opened. Although the football season was not a success from the standpoint of games won, yet much credit is due to the team and the coaches, Mr. Bohnsack and "Daisey" Hagen for the excellent showing made in the face of odds.

Back row, left to right: Charles Aakhus, Glen Whaley, Clifford Norden, Donald Bakken, Harold Berglund, Coach Lagather.

Sitting: Roger Larson (student manager), Roy Bjornerud, Ronald Olson, Glen Hagen, Dickie Wynne, Bill LaVoi.

In front: Wayne Rambol (student manager).

BASKETBALL TEAM

Glen "Crusher" Hagen—One of the two graduating seniors on the squad. His quick offensive fake is his best bet and he scores continuously by using it.

Ronnie "Goopy" Olson—"Push Shot Artist"—One of the team's three leading scorers, very aggressive play. Best year coming up.

Roy "Gus" Bjornerud—Team's leading scorer and one of the most aggressive men on the squad. Hit the jackpot in the Bagley game with a 21 point total. Best year coming up.

Richard "Dickie" Wynne—Defensive playing is his key point. Did a fine job as a sophomore regular.

William "Billy" LaVoi—The speed merchant of the team. Team's leading "Ball Hawk" and scored many a bucket as a result of his "stealing" tactics.

Donald "Dude" Bakken—Fastest man on the squad. Turned in a stellar game against Bemidji and ended up high point man with 10 points.

Harold "Boogie" Berglund—Best defensive rebound man on the squad. Coaches' dream as far as attitude is concerned. Too bad it is his last year for F. H. S.

Glenn Whaley—A comin' with a natural one hand push shot. We will hear a lot of Whaley in the next two years.

Charles "Chat" Aakhus—One Freshman on the squad lettered in his first years. Should have an excellent athletic future.

Clifford "Kippy" Norden—"Midget of the squad" but makes up for his size with speed and attitude.

BASKETBALL RESUME

The season officially began Tuesday, November 27, when Bemidji came to Fosston and defeated the Greyhounds by 35-21 in an exciting ball game.

Friday, November 30, our boys played at Thief River where they played the Prowlers in a close game, losing by a 33-30 count.

Gonvick tasted defeat at the hands of the Greyhounds who beat them by a score of 55-23. It was a big scoring night for the team. Coach Lagather was unable to accompany the boys on account of illness.

A big throng of enthusiastic rooters and the band accompanied our team to Crookston, on December 7. Our team lost by a 29-27. It was a thrilling game of good basketball.

On December 11, the boys journeyed to Erskine where they gave last year's district champions a real tussle. Our team lost this one by a score of 35-27.

McIntosh invaded our court and caught our team in one of its off nights on December 14. We were beaten by 21-10, the lowest score our team was held down to all season.

During Christmas season, Coach Lagather scheduled a game with a good Morris High School quint. They won the ball game, but had to give their best to do so.

Mentor defeated our team on their floor January 9 by a score of 34-22.

The Greyhounds came back and handed Crookston a 27-21 defeat the following Friday, January 11. It was a big night for Roy Bjonerud who hit the net for a high score.

Our team lost a heart breaker at Cass Lake the following Tuesday, January 15, when the Cass Lake aggregation nipped our team by a 29-27 score.

Roseau was just too good for our boys the following Friday, January 18. Journeying north, our boys came home on the short end of a 39-19 score.

Erskine did it again defeating the Greyhounds on our court by a 35-22 score. And then Clearbrook followed suit by defeating our boys by a 39-33 score on their floor on Friday, January 25.

The inexperienced Greyhounds showed improvement in handing Thief River Falls a 31-27 defeat at our gym, January 29.

On Friday, February 1, our team journeyed to Bagley and in one of the most exciting games of the season lost by a score of 35-34.

The Greyhounds gained another victory, Friday, February 8, defeating the leading conference team, Clearbrook, by a decisive 35-17 score.

McIntosh was all set for the Greyhounds Friday, February 15 and won by a 25-19 score in an exciting game before a capacity throng.

A double header was played at our gym Tuesday, February 19. The Greyhounds won both contests defeating Gonvick 59-28 and Mentor 39-25.

Friday, February 22, Bagley came here and eked out a win in the final minute of play, defeating us by a 29-28 score.

Tournament play started February 28, our first opponent being Clearbrook. The game was hard fought in that both teams had won a game apiece earlier in the season. Our team was defeated by a 33-29 score.

The Greyhounds won the consolation honor by beating Mentor by a 44-28 score.

So ended the season for the Greyhounds. Berglund and Hagen will be missing from the squad next year. Promising material and a year's experience will undoubtedly make the Greyhounds a strong contender next year. To next year's best team, best wishes for a successful season.

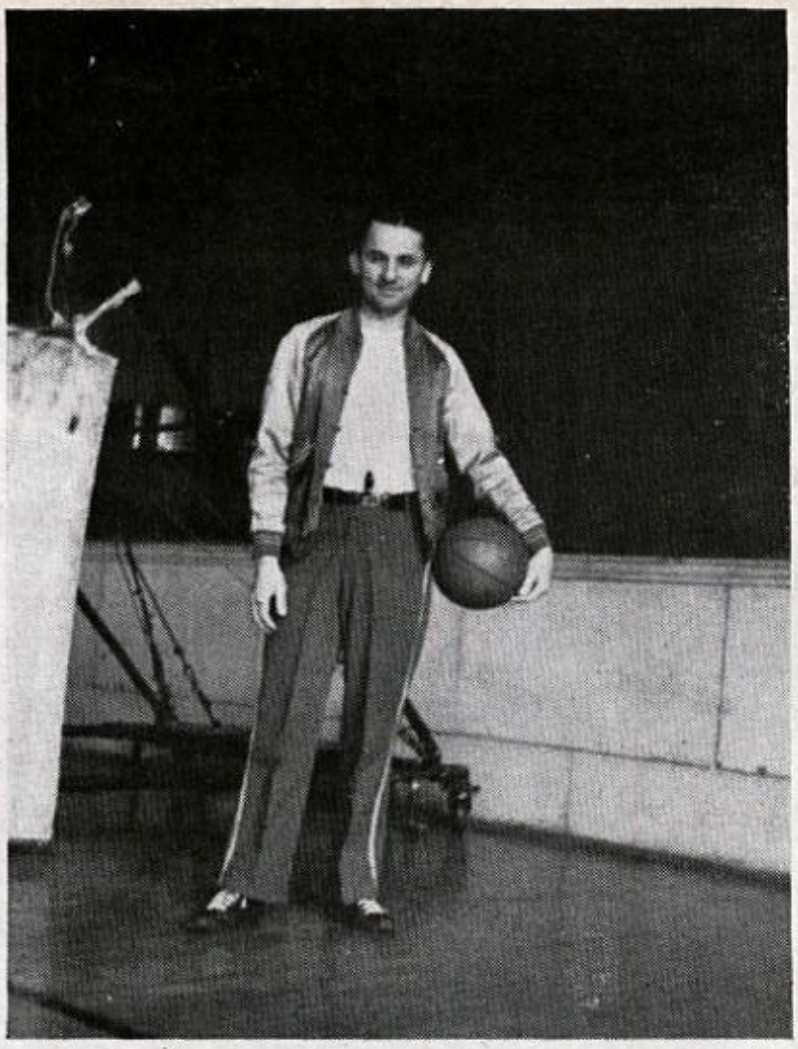
The Girls' Athletic Association of Fosston High School is a new organization established in 1946.

The purpose of this organization is to set standards of sportsmanship and cooperation, to provide and to promote desire within the high school for both physical efficiency and mental alertness. The means of obtaining this purpose is physical activities.

Officers are elected on the last meeting of each school year. Those elected, called the board, will preside at meetings in the following year.

A constitution has been adopted giving the duties of the officers and also includes a point system. Rewards are given to those members who earn the sufficient number of points. These points are earned by participating in all G. A. A. group sports and individual activities.

Membership is open to all girls attending Fosston High School from grades 10-12.



This year the basketball team was coached by Michael Lagather. Mr. Lagather, who was recently discharged from the Army Air Corps, returned to Fosston to resume his previous duties after spending some time in the service.

THE CHEERLEADERS

The rooting section at all the football games, basketball games and pep meetings was led by our able and attractive cheerleaders, Audrey LaVoi, Madge Lindgren, Verna Mae Kvare, and Marilyn Husby. Madge moved to International Falls in February.

The cheerleaders conducted all pep meetings with a different class being responsible for a skit each time. The most outstanding skit during the year was the one given by the Faculty.

THE HOMECOMING

The grid clash was the climax of the series of homecoming activities touched off October 31, on Wednesday evening when McIntosh paid a visit to Fosston. At 11:00 that night they burned down the pile of material which had been collected for the Thursday night traditional bonfire.

On Thursday evening after everyone had gathered together a bigger and better pile, the band marched around town and the rest of the student body snake-danced after them. A circle was formed in front of the theater and everyone yelled some of our school yells. The main feature of the evening was the burning of "Sleepy Hollow."

On Friday afternoon the upper four classes proudly displayed their floats. At the half, the Seniors were presented with a gift for having the most outstanding float.

The game on Friday was played on a cold and bleak afternoon with intermittent snow flurries. The boys put up some stiff opposition only to lose to McIntosh by a score of 18-14.

At half time the coronation of the homecoming king and queen was performed. A candidate from each of the four upper classes was chosen to take part in the contest. The junior entrant, Gladys Brenna won the honor as queen, Alvin Hagen, a freshman, won the honor as king.

The annual Homecoming dance was held on Friday evening. It was well attended by all and proved to be a great success.
